Darsh Jain

Full Stack Blockchain Developer and Forensics Investigator
Mumbai, Maharashtra, India

Summary

As a highly motivated and accomplished computer engineering student, I have a passion for exploring emerging technologies and their real-world applications. With a strong foundation in Java, NodeJS, and Python, I am skilled in blockchain development, digital forensics, and cryptocurrency investigation. I have completed several internships with Amazon Web Services, Lab Systems Pvt Ltd, Virtually Testing Foundation, and Grasp Anything, gaining valuable experience in industry problem-solving, penetration testing, and digital marketing.

My academic projects include Medilog, a blockchain-based pharmaceutical supply chain system, and Crowdfunding for Engineering Startups using Blockchain and Smart Contracts, a decentralized web application. I have also published papers on Face Mask Detection and Attendance System and Crowdfunding for Engineering Startups using Blockchain And Smart Contracts in prestigious international journals.

As a Cybersecurity and Blockchain Lead at Google Student Developer Club SLRTCE, I have organized technical events and workshops while creating awareness about cybersecurity and blockchain resources. I have also held cybersecurity and web development workshops for the community as a Web Development and Cybersecurity Head at SLRTCE. Moreover, I am a Google Flutter Facilitator and have completed the Tier 3 of the Google Flutter Facilitator program.

I am eager to apply my skills and experience to innovative projects and opportunities in the technology industry. Feel free to connect with me to learn more about my work and experience.

Experience

Lab Systems (I) Pvt. Ltd.

Cryptocurrency Forensics Investigator And Blockchain Developer

July 2022 - Present (1 year)

Mumbai, Maharashtra, India

GDSC SLRTCE

10 months

Cyber Security And Blockchain Lead

September 2021 - June 2022 (10 months)

Google Flutter Facilitator

February 2022 - March 2022 (2 months)

Shree L. R. Tiwari College of Engineering

Web Development And Cyber Security Learning Club Head

August 2021 - June 2022 (11 months)

Virtually Testing Foundation

Penetration Testing Intern

October 2021 - December 2021 (3 months)

Computer Society of India

Student Coordinator

October 2020 - September 2021 (1 year)

Shree LR Tiwari College of Engineering

E-Cell, SLRTCE

Technical Coordinator

August 2020 - July 2021 (1 year)

Grasp Anything

Digital Marketing Intern

November 2020 - January 2021 (3 months)

I was appointed as city head and managed marketing interns all around the city. I worked on sharing and making an awareness of the newspaper, made suggestions and changes to the working system to the team and managed to get an audience to read the digital paper

Education

SHREE L R TIWARI COLLEGE OF ENGINEERING, THANE
Bachelor of Engineering - BE, Computer Engineering · (2019 - 2023)

S.S and L.S Parkar Varde College of Science
HSC, Science and Computer Science · (2017 - 2019)

Bombay Cambridge International school
10th, IGCSE · (2007 - 2017)
